

WE ALL NEED TO HELP

Milford Lake is the largest lake in Kansas. Over 50% of our annual visitation occurs in the campgrounds. We need your help to protect the natural resources so that future trips to the lake are as rewarding as today's.

1. All vehicles must stop at the Campground Fee Booth each and every time they enter the campground, including registered campers/visitors. The fee booth is a high pedestrian traffic area and provides controlled access to the campground.

2. ATVs/dirt bikes/golf carts are prohibited in the park. If you are bringing ATVs or dirt bikes to ride in School Creek ORV Park, then you must leave them trailered or loaded.

3. No driving on the grass at any time. Boat trailers (loaded or empty) may be backed onto the grass at your site. Extra vehicles may park parallel along the shoulder of the road to avoid obstructing traffic.

ON THE BOOZE CRUISE YOU LOSE

4. Quiet Hours: 10 pm to 6 am.
Visitors must leave by 9 pm.
Check Out: 6 pm.

5. Keep your site clean.

Place all trash in the dumpsters
Recycle your aluminum cans at collection points for the Boy Scouts. They really appreciate it.

6. Pets must be on leashes at all times. Please respect other campers and clean up after your pet.

7. SLOW DOWN! You're here to relax and have a good time. Please observe the posted speed limits and watch out for the bicycle riders, walkers and children playing.

8. Firewood Collection: only dead and down wood can be collected for fires. Standing dead trees are wildlife habitat and must be protected.

**CAMPGROUND FACILITIES ARE FOR
CAMPERS ONLY. NO DAY USE.**

West Rolling Hills

With rolling terrain and great views of the lake and dam, West Rolling Hills is a wonderful place to bring the family for a campout! A playground and swimming beach for the kids; hot showers and flush restrooms for the grownups.

If you are a fisherman, there is a fish cleaning station and boat ramp. If you are a boater, there is also Thunderbird Marina for boater and fisherman's needs.

West Rolling Hills Park is open year around with three free camping loops and the fee campground stays open until the end of October, weather permitting.

**LIFE JACKETS SAVE LIVES -
THE NEXT ONE MAY BE YOURS**

For More Information

Weather: In case of severe weather, tune to a local radio station for a weather update. When damaging weather occurs, take refuge in the shower building or concrete restroom structures.

Boat Smart/Boat Safe:

- ✓ Be aware of carbon monoxide poisoning around recreational boating.
- ✓ Let someone know where you are going and when you will be returning.

It's a Fact

The four major causes of drowning are:

- Not wearing a life jacket
- Abuse of alcohol
- Lack of swimming skills
- Hypothermia
